

WASHINGTON RUNNING CLUB NEWSLETTER

August, 1978

LA FEET

HERE IT IS! The second WRC newsletter engineered by yours truly, Mark Baldino, "the running locksmith" (951-6583-H) and (451-4353-W). It's going to be a short newsletter this time because Cheryl Tieggs and myself are at the movies to see "Heaven Can't Wait" and we're sitting in the back row!

It seems everybody is doing very well in their races and in the next newsletter, (I'm collecting results now) we will have comprehensive race results on everyone.

We are also having a meeting at Bob & Mary Ellen William's home on Friday, August 11th at 7:30. Directions below.

The topics to be discussed and or voted on are:

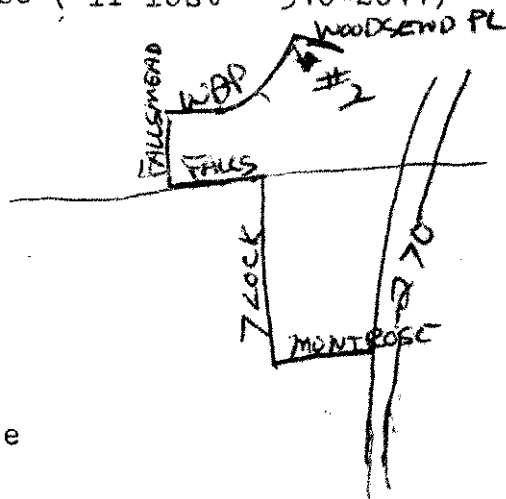

1. Addidas Race
2. Sponser for Club
3. Upcoming Races and Travel Plans
4. Team Uniforms
