CLUB MEETING, Friday May 4th at 8:30 p.m.

Our next meeting will be on Friday evening, May 4th at Will Albers's house, 3931 Wilcoxson Drive, Fairfax, Virginia. DIRECTIONS: Beltway (Route 495) to Route 236 (Little River Turnpike) toward Fairfax. Go approximately four miles to Woodson High School which will be on your left. Make a right at the light into the "Comstock" townhouse development and get on the access road (this road runs parallel to Route 236 and you will be travelling in the same direction as you were on Route 236; townhouses will be on your right). Follow access road and make the third left. At this point you should be on (or at least near) Wilcoxson Drive. 3931 is the third townhouse on the left. In case you get lost, Will's number is 323-8424.

At this meeting we will be organizing the volunteers to work at our next two races:

- 1). May 19th -- Trinity College Race and
- 2). May 20th -- First Virginia Is For Foot Lovers Race (Myles Schneider is the coordinator)

Any questions concerning these races should be directed to Ray (593-3834) or Bruce (593-9289).

Bring your own provisions to the meeting!!!

ANNUAL WRC OUTING -- Saturday, June 2nd

On June 2nd, directly after the Hecht's 10 Miler, Ray and Joie Morrison will be hosting their annual Club beerfest and softball game. Everything will be provided with the exception of your choice of main picnic course and a dish to share. Come prepared to play a little softball, volleyball and frisbee. Of course, the "original" WRC cold beer relay will be scheduled for those with a sense of competition and adventure. Meet at the race and tag along with those who know the way or call the Morrison's for directions (593-3834).

CONGRATULATIONS

To Jim Buell (2nd), Mike Greehan (3rd), Al Naylor (7th), Will Albers (10th) and Jeff Peterson (19th) for taking home the 1st Team prize in the Hackney's Great Raleigh Road Race on April 8th. Their win beefed-up the Club treasury a bit also.

To Bruce Robinson for his 2:18:40 in the Boston Marathon. Although not a PR it was a superb effort despite the poor weather which was not to his liking. Bruce was shooting for something around 2:16.
